

CYCLE ON THE ROAD AND KEEP LEFT. IF YOU HAVE TO USE THE SIDEWALK, PEDESTRIANS HAVE THE RIGHT OF WAY

STOP AT A RED SIGNAL OR STOP SIGN AT AN INTERSECTION. LOOK BOTH WAYS BEFORE PROCEEDING.

TURN ON THE LIGHTS AT NIGHT.

DON'T DRINK AND RIDE.

When turning right

At an intersection with traffic lights, ride straight across the road when the light is green, then stop and turn your bicycle in the new direction. Proceed when the light you are now facing turns green.

At an intersection with a "stop" sign, come to a complete stop before the stop line.

At an intersection with a bicycle crossing zone, stay within the zone.

On the other hand, you must get off and walk the bicycle when you think that you're impeding the flow of pedestrians.

Disobeying Traffic Signals
6,000 yen
5,000 yen for running flashing signals

Stop Sign Violation
5,000 yen
